

ENTREPRENEURSHIP KNOWLEDGE CELL & INNOVATION CLUB, PACHHUNGA
UNIVERSITY COLLEGE
TWO DAYS TRAINING ON ENTREPRENEURSHIP
REPORT

Date: 7-8 December, 2021

Venue: Entrepreneurship Knowledge Cell Lecture Hall, PUC

The Entrepreneurship Knowledge Cell, PUC and Innovation Club, PUC jointly organized a two days training on entrepreneurship during 7-8 December, 2021. It was funded by MEDMOC, Planning and Implementation Dept., Govt. of Mizoram. The training program was held offline. 70 students registered through google form but about 20 students actually turned up for the training. The pandemic effect, the after-exam-holiday mood and the lack of awareness are responsible for the smaller number of trainees. But the participants showed to be serious and focused, and the program is believed to have immense impact on their lives.

On 7 December, 2021, the program started with registration of participants from 9.30 am. After an introductory session at 9:45 am, the first session was started. There were two sessions in the forenoon and two sessions in the afternoon. Mr. LTL Fela, CMD, Tharthilthlentu (TiLi); Founder, aDumAVar & Co-Founder, thiamna.com, was the Resource Person of the forenoon sessions. He talked about 'Entrepreneurial Mindset' and 'Chengrang leh Ngenmu'- The Struggles' in the first two sessions.

The after-lunch sessions were devoted to successful young entrepreneurs to share their experiences and struggles. Mr. Laldinliana, Director, HLDL Solutions Pvt. Ltd. and Mr. Henry Saingura, Social Entrepreneur, Founder and CTO, Foods Myco Lab were the Resource Persons. They presented their success story and motivated the students for a startup. Ms. Vanlalhriatpui co-founder of thiamna.com who accompanied Mr. LTL Fela also gave a short speech about her journey to the field from Mathematics background. The sessions were very interesting and the participants also enjoyed it.

The first day ended with report writing which the students submitted through google form.

The whole day of the second day, 8 December 2021, was devoted to *Design Thinking* class. Ms. Lalnunmawii Ralte, Asst. Professor, Govt. Aizawl College and Ms. K.C. Malsawmtluangi, Asst. Professor, Mizoram Christian College, Aizawl, both Master Trainers in EKC, MEDMOC, were the Resource Persons. They guided the trainees not only through theoretical presentation but through practical and divided them into groups and let them practice the process of ideation. The students enjoyed the session and gained practical knowledge about problem identification and problem solving. A review report was written and submitted in google forms again.

At 3:30 pm, a closing session was held where a brief report was given by the Convener, Dr. Rohmingmawii, and certificates were distributed to the participants. The students were invited to give feedback. Three students came forward and they all said that they were greatly benefitted by the training and were grateful for the opportunity.

After the conclusion of the training, an Entrepreneurship Knowledge Club was set up with the students who participated in the training. The leaders were appointed as under:
