BRIEF REPORT on **TRAINING on DEPARTMENTAL RESULT ANALYSIS**

On 19/11/2018 2:00 PM, IQAC conducted training for all Departmental IQAC-in-charge on Departmental Result Analysis at the Teachers' Common Room. Departmental Result Analysis is new systems of result analysis introduced by IQAC, PUC as a follow up action of NAAC 2nd Cycle Peer Team recommendation, to curb the fail percentage of the college. The system allows departments to find out the total number of back paper a student has accumulated during 1st semester to 4th semester. It also prompts department to organize special classes such as Remedial Classes, Tutorials or Extra Class for those identified as Slow Learners.

The basic formula employed within the DRA was explained in length by the two Resource Persons who were Dr. Tawnenga, Principal, PUC and Dr. Henry Lalmawizuala, Coordinator, IQAC using PowerPoint presentation. The meeting was attended by Departmental IQAC-in-charge of all 23 departments within the college.

Every department within the College were instructed to start using the new system to analyze the result of their respective students and to submit the DRA to the IQAC to allow the IQAC to get a complete picture of the college.
