**4. ECOCLUB CONDUCTED SEMINAR ON WORLD POPULATION DAY:** On 11<sup>th</sup> July, 2019 a Seminar was conducted at departmental level on the occasion of World Population Day. The day is aimed to shift the focus towards the urgency and the significance of issues related to population. World Population Day, which is being celebrated for over three decades, is meant to raise awareness about solutions related to the issues of growing population.

**5. ECOCLUB EXTENSION ACTIVITY:** On 6<sup>th</sup> September, 2019 V Semester Environmental Science students and Ecoclub members carried out Environmental Awareness Campaign at Venghlui Middle School, Aizawl. Young people today are not aware of the importance of protecting the environment. Getting informed them at school level through an awareness campaign is of crucial importance, as the future of our planet will be their responsibility in a few years' time.

**6. CLEANLINESS ACTIVITY:** On 27<sup>th</sup> September, 2019 Cleanliness Activity in and around the campus was carried out by all students of Environmental Science department. **SHRAMDAAN (Picking up plastic waste):** Picking up plastic waste from PUC campus was carried out as part of SWACHHATA HI SEVA (Cleanliness Campaign) by ECOCLUB and students of all classes from Environmental Science department.

**7. WORLD OZONE DAY OBSERVATION & SEMINAR:** The Department of Environmental Science observed the World Ozone Day on 16<sup>th</sup> September, 2019 (Monday) as an Eco-club activity. Under the theme **32 years and healing**, a departmental level Seminar was organised where all faculty delivered speeches relating to World Ozone day. It reminds us that we must keep up the momentum to ensure healthy people and a healthy planet. All students of I, III and V Semester students of Environmental Science attended the programme.

**8. INVITED TALK:** The Department of Environmental Science organised a Special Invited Lecture on the topic "*Ecotourism in Mizoram*" delivered by R. Lalrinchhani, Deputy Director, Department of Tourism, Government of Mizoram on 20<sup>th</sup> September (Friday) at 1.30 pm.

**9. ECO-TOUR:** One day eco tour for V Semester Students was organised on 27<sup>th</sup> September 2019 (Friday) under the guidance of Ecoclub Coordinator Dr. Kulendra C. Das and Dr. Samuel Lalronunga. Our students visited Directorate of Science & Technology, New Capital Complex, Khatla, Mizoram Pollution Control Board and MIRSAC. The main purpose of the trip was to make the students get closer to the different testing laboratories and instruments used in Environmental science.

## REPORT OF THE SECRETARY Environmental Club

Lalremtuanga

It is a great pleasure and privilege for me to present the report of the activities of Pachhunga University College Environmental Club (PUCEN) for the academic Session 2018-2019. We render our deepest gratitude to God for his guidance all through the session. We would like to give thanks to the Department of Environmental Science as well as our respected Principal for their support and for providing us with all our requirements and needs.

Pachhunga University College Environmental Club (PUCEN) was established on 16th September, 2014 on the occasion of Ozone World Day at Seminar Hall, Life Science Building in the presence of our Ex-Vice Principal, Prof. JV Hluna. The general meeting of the Environmental Club and reconstitution of Executive committee of PUCEN was held on 11th July 2018 on World Population Day under the guidance of Dr. K. Khelchandra Singh, the Head of Department, Environmental Science and the faculty of Environmental science, PUC. The office-bearers of the Environmental club are:

General Secretary	: Lalremtuanga	VI Sem, Env. Science
Asst. Gen. Secretary	: H. Vanlalvawna	VI Sem, Env. Science
Treasurer	: Laldusaki	VISem, Env. Science

Dr. Khulendra C. Das, Asst. Professor was selected as Coordinator and Miss Laldinpuii, Guest Lecturer as Asst. Coordinator. All the VI Semester students of Environmental Science were selected as executive members and all the II and IV Semester students as the General Members of the Environmental Club. Faculty who choose to become life member did so by paying a fee of rupees five hundred and were given voting privileges.

the topic of Water Conservation which was organized by the 6th semester students, Dept. of Environmental Science on behalf of PUCEN. The students were divided into three groups and given one hour each to talk about the importance of water, how to conserve it and how to manage it. A poster showing the importance of water was also displayed at this program.

- On 22nd April 2019, the Eco-club celebrated 'Earth Day' at departmental seminar hall. All the second, fourth and sixth semester students including faculty members participated in this programme. Our respected HOD Dr. K. Khelchandra Singh gave an important presentation about the present condition of the Earth.
- On May 22nd 2019, the observation of Biodiversity Day and a Tree Plantation Campaign was held in the Departmental Seminar Hall. The students and faculty participated in these programmes. On this day the students brought small saplings for plantation. After the programme was over, plantation of the trees was held in the campus which was led by our respected HOD and faculties.

Above all, we thank the almighty God for his guidance throughout the session. We are very grateful to the department of Environmental Science, our Supervisors, Faculty members and club members without whom all our achievements and activities would not be successful.

### Aims of the PUCEN:

- To promote and uphold the mission, objective and welfare of the college.
- To create scientific temper, awareness, knowledge, attitudes, skills and participation among the students and community.
- To educate the students and communities about the environmental issues and responsibilities of the life long relationship with the nature.
- To create and maintain awareness of environmental responsibilities to provide strong support and service to the college.
- To keep alive the spirit of public service and self-sacrifice for the welfare of the society and nature.
- To foster and promote goodwill through loving, conserving and protecting wildlife and natural heritage of Mizoram.
- To foster and promote goodwill through mutual trust, respect and collaboration among the member of the club.

### Activities of PUCEN during 2018-2019 Session:

- On the occasion of World Ozone day, a seminar on 'Preservation of Ozone layer; Issues and Challenges' was organized by the PUCEN at Seminar Hall on 20th September 2018. All the students and faculty of the department attended the programme and actively participated in this seminar. The important points on the topic was raised and discussed in this seminar. The teachers and the students took a pledge towards saving the Ozone layer. The certificate was given to the participants and resource person.
- As a part of Diamond Jubilee Celebration of our College, a special cleanliness drive on Tlawng river was carried out at Sairang on 2nd October 2018. All members of Eco-club including the Faculties of the Department of Environmental Science participated in this. The members were divided into three groups who were all made to collect waste from the river bank and put them into garbage bags and send them to the disposal site.
- On 15th April 2019, a school level awareness programme was held in Govt. Bethlehem Vengthlang High School. The awareness campaign was based on

## REPORT OF THE Environmental Club

V.L. Thachunglura

It is a great pleasure for me to present the report of the activities of Pachhunga University College Environmental Club (PUCEN) for the academic session 2017-2018. We render our deepest gratitude to God for his guidance and protection all through the session. We would like to express our heartfelt gratitude to the Department of Environmental Science as well as our respected Principal for their constant support and for providing us with all our requirements and needs.

Pachhunga University College Environmental Club (PUCEN) was established on the 16th September, 2014 on the occasion of Ozone World Day at the Seminar Hall, Life Science Building in the presence of our Ex-Vice Principal, Prof. J.V. Hluna. The General meeting of the Environmental Club and reconstitution of Executive Committee of PUCEN was held on 20th July, 2017 under the guidance of Dr. K. Khelchandra Singh, the Head of Department, Environmental Science and the faculty members of Environmental Science, PUC. The Environmental Club consists of the General Secretary, Asst. General Secretary, Treasurer, Executive Members and General Members respectively.

General Secretary	: V.L. Thachunglura	VI Sem, Env. Science
Asst. Gen. Secretary	: Dany Zonuntluanga	VI Sem, Env. Science
Treasurer	: K. Vanlalliani	VI Sem, Env. Science

Dr. Kulendra C. Das, Asst. Professor was selected as a Coordinator and Dr. Hilda Lalrinpui, Asst. Professor as the Asst. Coordinator. All the VI Semester students of Environmental Science were selected as executive members and all the I and III Semester students as the General Members of the Environmental Club. Faculty who chose to become life members did so by paying a fee of rupees five hundred and were given voting privileges.

### Aims of the PUCEN :

1. To promote and uphold the mission, objectives and welfare of the College.
2. To create scientific temper, awareness, knowledge, attitudes, skills and participation among the students and community.
3. To educate the students and communities about the environmental issues and responsibilities of the life long relationship with the nature.
4. To create and maintain awareness of environmental responsibilities to provide strong support and service to the college.
5. To keep alive the spirit of public service and self-sacrifice for the welfare of the society and nature.
6. To foster and promote goodwill through loving, conserving and protecting wildlife and natural heritage of Mizoram.
7. To foster and promote goodwill through mutual trust, respect and collaboration among the members of the club.

### Activities of PUCEN during 2017-2018 :

1. On 21st August, 2017, PUCEN conducted an awareness programme in Govt. Venghlui Middle School and formed a unit of (PUCEN) Environmental Club, consisting of 11 members including the teachers and students of the school for the furtherance of our cause and for them to help in the sensitization of people for the promotion of a healthy environment.
2. On 25th August, PUCEN conducted an awareness campaign in New Dawn School, ITI and had a very productive interaction with the students and teachers. The awareness campaign was based on Ozone layer depletion, cleanliness, air pollution, water pollution, etc. and formed a new unit of PUCEN.
3. On 24th April, 2018, the Eco-Club, PUCEN celebrated 'Earth Day' in the Seminar Hall, Department of Environmental Science. All the students and faculty members were present in this programme.

4. Based on 'Earth Day' a quiz competition was organized by the Eco-Club.
5. Cleanliness Drive was held on 19th May, 2018 at the PUC Campus by the Department of Environmental Science (PUCEN) under the theme, 'Beat Plastic Pollution' as a commemoration of World Environment Day.
6. Apart from these, a new club t-shirt was made and we also won the title of 'Best Eco-Club (2018)' over the other Eco-clubs of different colleges.

We, the batch of 2017-2018 give a warm-hearted gratitude to the former club leaders who worked very hard to pave the way for us and keep the club alive. We are also very grateful to the Department of Environmental Science, our Supervisor, faculty members and members who are the foundation and milestone of the Environmental Club without whom all our achievements and activities would not be successful.

THANK YOU.
